GOVERNMENT MYSORE

The D. F. Board at Kolar

(Cl no 1 in L.F 187-94) resolved on 21/1/96 that in place where Travellers bungalows were rarely used by visitors they might be abolished. The resolution having been forwarded by the Dy Comr with his c/o 4281/1346 dated 27 ult 1895 the Govt observed that the time had arrived when the establishments provided for the traveller Bungalows for the pre-railway period should be reviewed and called upon the Dy Comr to submit a statement shewing

Cl no 1

@ Pro c/o 24004-11/L.F 187-94 of 24-6-95 (Cl 1)

(I) the number of halts made and the amount of fees collected in each Bungalow from (a) Govt officers and (b) other travellers within the past 24 months

(II) what Bungalows might be closed altogether &

(III) what establishments could be absolutely required for those to be kept up.

(2) In submitting the statements accordingly, which are compiled in the accompanying

consolidated statement prepared
in this office, the Dy Comr made the following
remarks, ~~made~~ by ~~them~~ which
are summarized below:—

(a) The Dy Comr of Bangalore
states that none of the Bangalows
can at present be abolished
without inconvenience to the
public and that those at
Yelahanka, Rozepeer and
Bedadi may be reduced from
II to III class, and at Closepet being
reduced from I to II class.

a clo 607 Dy 31/12/95.

(b) From the statement
furnished by the Dy Comr of
Kolar it would appear that all
the Bangalows in the District
belong to III class and that
none of them can be abolished. ~~that~~
~~Bangalow books having been stolen, the information~~
~~called for cannot be furnished in respect of~~

Kolar Dy clo $\frac{1826}{465}$ Dy 14-11-95.

though the number of travellers
has considerably diminished
since the opening of the railway

and trusts that receipts from fees will shew some improvement if the exemption from payment of fees now enjoyed by the Police and Survey assistants & Forest officers be withdrawn

Abstract of proposals.

1 No Bangalo can be abolished.

2.

i The following I^n class Travellers' Bangalos may be converted to the II class.
Closepet, Kunigal, Somanhalli, Hiriyur.

ii And the following II class Travellers' Bangalos to the III class:- Yelahanka, Rozipur, Bidadi (Bangalore District), Yelwall, Settihalli (Mysore District), Barmasagar, Bommagondankere, Malebennur (Chitaldurg District).

iii The Travellers' Bangalos at Dandiganahalli and Banavar (Hassan District), may be treated as Inspection Lodges.

iv The Travellers' Bangalo at Jadekatte may be removed to Biruv.

Defer all

Non-[illegible] by the construction of new building —

3. The Bangalore Deputy Commissioner proposes a Dandi on Rs5 and a sicavenger on Rs7 per each Travellers' Bangalo, and Kotwals for the II class Travellers' Bangalos at Hebbagodi, Tamsur and Solur. Saving = Rs52 per month.

4. The Tumkur Deputy Commissioner proposes to reduce the establishments at the I and II class Travellers' Bangalos in the District except Tumkur to a peon on Rs6, a watchman on Rs5, and a Bhoi on Rs5. He also suggests that the exemption now enjoyed by Police and Survey Assistants and by Forest Officers should be withdrawn. (This suggestion is well worthy of consideration, as the distinction now made between these and other officers of equal rank appears to be invidious).

5. The Mysore Deputy Commissioner has not explained his proposals, which, however is understood from the statement furnished by him to be a Kotwal, a Meti, a Sweeper and a Waterman for I and II class Travellers' Bangalas and a sweeper for III class Travellers' Bangalos. The French Rocks Travellers' Bangalo (occupied by the sub-Division officer) and the Nindavalli Travellers' Bangalo (not in existence) do not require establishments.

6. The Hassan Deputy Commissioner says the peons on Rs5 at Channarayapatna may be dispensed with.

7. The Kadur Deputy Commissioner says the watchers (on Rs6) at Koppa and Sakleshpur may be dispensed with.

8. The Chittaldurg Deputy Commissioner would provide a Khitmal, a Dandi, a Mate a Cook, a waterman and a sweeper for I class Travellers' Bungalos; but no peon; the establishment minus a Dandi for II class Travellers' Bungalos; and a caretaker for III Class Travellers' Bangalos with a sweeper for such as are situated on the Salem, Bellary and Bangalore Dharwar roads.

9. The above proposals may be sanctioned.

Subs Asst 13/8/97.

1) The reduction of I class bungalow to 2nd class will benefit the Provincial funds. Please call out a separate list of such bungalows with a comparative statement showing present & proposed cost.

2) The reduction of I class to 2nd Class Bungalows will throw an added burden on District Funds. This was evidently not what was intended

(1) List marked A submitted

(2) List marked B is submitted. The reduction proposed comes to Rs 120 per mensem or an additional expenditure of Rs 828 on D. F. and a relief of Rs 2268 to Provincial Funds.

nor does it seem necessary.

3) The raising of 3d Class bungalows to 1st Class will be a relief to Funds. In respect of what bungalow has this proposal been made & what is the saving to Funds?

4) The present & proposed cost of 3d Class bungalows which are to be converted in that class.

(1) List 6 is submitted.

It is one more reform which we should point out —

14-8-97

(19/8/97) H. Dr 14/8/97

Sir,

The information is submitted

17/8. Dr 17/8/97

The original letter No 4281/1346 of 7/5/95 on the subject of the general question was passed in L.F. 70 of 94 herewith submitted. Dr 17/8/97

Robt Sterling 17/8/97

Submitted.

The idea was to close such 3d Class Bungalows as were not really necessary and to reduce the establishment maintained in others. The proposals now received show that this is not feasible. A few

bungalows are proposed to be reduced from the 1st to the 2nd Class but the gain to the Provincial funds is very slight. A large no of 2nd Class bungalows are proposed to be reduced from the 2d to the 3rd Class. This means an additional burden on the District funds instead of a relief thereto.

1st Commissioner's order on Office Memo in regard to the remission of Travellers Bungalows:—

"What is the reason for exempting Police and Survey assistants from payment of fees?" (Bengaluru).

Memo

(a) Survey assistants

In Coorg in para 1 of the Proc of the Chief Comr No $\frac{5029}{6881}$ dated 28th October 1878, it is stated that "as a special case and in consideration of the loss of batta to which the assistant Superintendents of the Mysore Revenue Survey have lately been put, the Chief Comr is pleased to rule that those officers, while on duty, may use Travellers Bungalows free of charge".

[The original is not found, but a copy of the order is in L-Z 1 of 1889-90.]

(b) Police assistants

The reasons which led Police ass^ts Mr Maclean to apply for exemption from payment of fees for the occupation of Travellers Bungalows by Police assistants are given at length in his letter No $\frac{3}{a}$ of 11/4/85 received with Kolar Dy Comr's No 40 of 14/4/85.

To

Sir,

With reference to Proceedings of Government No 24004—11 dated 25th June last, I have the honor to submit a statement showing the fees realized in the several Travellers Bungalows of this District, the establishment at present maintained in them and that proposed for them for the future.

2. These Bungalows are of great use to officers travelling rapidly in the District and save a large expenditure in the purchase and keep of tents and Cart-hire incurred in carrying them from place to place, and seeing also that they have been built at considerable cost, and are generally in good condition. I am not in favor of abandoning any of them.

3.

3. I beg to propose that all of them be re-classed with reference to the use that appears to have been made of them, applying this test to them I beg to suggest that the Bungalows at Chitaldroog, Davanagere and Harihar may be retained in the first Class, while those at Challakere, Hiriyur and Holalkere be made 2nd class ones, and the remaining Bungalows be made 3rd class.

4. With regard to the Establishment required for them, I am of opinion that for 1st class Bungalows, a Kotwal, a Dandi, a Meti or Cook a waterman and a Sweeper be provided. No peon is necessary besides for them as at present. For second class Bungalows too the same Establishment be maintained, except perhaps the Dandi, the work that is done by him being done by the Kotwal himself. The waterman attached to these Bungalows should be an ordinary Cooly who can look after the Caste Kitchen at the same time.

5. For third class Bungalows a Caretaker is allowed. I would however suggest that for such of those as are situated on the Salem-Bellary and Bangalore-Shimoga roads

a

a Sweeper may also be provided, as in the absence of a Servant of this Kind great difficulty is experienced in keeping clean the Closets attached to these Bungalows.

6. These proposals involve an expenditure of Rs: 257 per mensem or Rs: 3084 per annum. The cost of establishment maintained at present amounts to Rs: 3684 per annum. Out of the proposed Cost Rs: 1260 per annum will have to be debited to Local Funds, being the Cost of establishment attached to third Class Bungalows.

I have the honor to be
Sir,
Your most obedient Servant

The General Secretary to the
Government of Mysore.

Sir,

As called for in Government order No: 24004-11 / L.J. 187-94 dated the 24th June 1895, I have the honor to Submit herewith a Statement Shewing the number of halts made by and the amount of fees collected from Government Officers and other travellers during the 24 months ending 30th June 1895, in the Several Traveller's Bungalows in this District.

2. It will be seen that there are at present 3 first class, 3 Second class and 14 third class Bungalows. The 1st class Bungalows are situated at Tumkur, Devarayadurga Hill and Kunigal. I would reduce the Kunigal Bungalow to the Second class.

The

2- The establishment now maintained at the 1st and 2nd class Bungalows with the exception of Tumkur is very large. I would not disturb the establishment at the Tumkur Bungalow, but at Devarayadurga, Kunigal, Sira and Tiptur and Kibbanahalli, we do not require more than a peon on Rs 6/-, a waterman on Rs 5/- and a Tholy on Rs 5/-

3- The establishment at the 3rd class Travellers Bungalows consists of a Sweeper on Rs 5/- paid from District Funds.

4- I would not advocate the abolition of any of the Bungalows. Though the number of travellers has considerably diminished since the opening of the Railway, the buildings in question are very useful to travellers. The receipts from fees will shew some improvement if the exemption from payment of fees now enjoyed by the Police and Survey Assistants and Forest officers be withdrawn.

I have the honor to be
Sir,
Your most obedient Servant.

Rec: 1 GOVERNMENT OF MYSORE Bangalore District-

From

The Dy: Commissioner

To,

The General Secretary to the
Government of Mysore,
Bangalore.

Dated, Bangalore 31st December 1895.

Sir,

Adverting to Government-Proceedings No. 8344 dated 26th November 1894 and No. 4044-11 dated 24th June last, I have the honour to submit a statement shewing the number of Travellers' Bungalows in the District, the amount of fees collected for, and to state that none of them can at present be closed without inconvenience to the public. The Bungalows at Yelahanka, Rayasandra and Bidadi may be reduced from 2nd to 3rd class and that at Closepet from 1st to 2nd class.

2. As regards the Establishment-

to be maintained, I would propose one Bandi on Rs. 5/- and a Scavenger on Rs. 4/- per month. The services of Mahies and water men may be done away with, in all the Bungalows. I propose 4 Rs. for a Scavenger, because it is not feasible to get a professional man on a smaller pay. The reductions alluded to, will be carried out by not filling vacancies when they occur.

3. Kutwalls are necessary for such of the non-Taluk Head 2nd Class Quarters Bungalows as are situated on high roads. These are (1) at Hebbalgode on Bangalore-Hosur Road, (2) Sompur on Bangalore-Haribur Road, and (3) Solur on Bangalore-Mangalore road Vid Kunigal. At present, there is no Kutwall at Solur but there is a Meth on Rs. 4/- who attends to supply bullocks fee. His pay may be raised to Rs. 8/- and he may be designated Kutwall

4. Should the above proposals

be approved of, there will be a saving of Rs. 52/- per month.

I have the honour to be,

Order in Question may be embodied in Rules under regd to the Establishments of all Dists in Mysore Province & Rules under Sec 4 of the Mysore Travellers' Bungalows Regulation

Proceedings of Government No. 16093-126—L. F. 94-94, dated 2nd April 1895, on the exemption of certain officers from payment of travellers' bangalo fees.

Extract of para 2 of the First Assistant Resident's letter No. 3560, dated 18th September 1896.

No. 4923-56—Mis., 936, DATED, BANGALORE, 30TH OCTOBER 1896.

ORDER THEREON.—Applications for exemption having since been received from several officers not included in the list given in the Proceedings read above, and it being considered wrong in principle to make any distinction between the officers of one Department of the administration and those of another, it is deemed desirable to adopt one uniform rule, somewhat similar to the Bombay rule, as regards all Departments and in respect of all classes of travellers' bangalos. Before passing final orders, however, Government would be glad to be favored with the views of Heads of Departments and of Deputy Commissioners on the subject.

Secy. to Govt. Gen. & Rev. Depts.

To—The Heads of Departments.
The Deputy Commissioners of districts.
